

Item no. 15

Page no. 69

**Address: George Marsham House,
Holmesdale Close, Loose**

Reference no. MA/11/2169

I would like to make an alteration in relation to paragraph 6.5 on page 83 of the agenda. This should not relate to the provision of 100% affordable housing but should relate to the fact that the Section 106 would secure two units of affordable housing in lieu of other contributions in accordance with the discussion in Section 5 'Heads of Terms'.

My recommendation remains unchanged.
