Hi

Please find attached a copy of the representations I have submitted to MBC Licensing Dept. in respect of your application for a premises licence in Boughton-Monchelsea.

The main form is the second one which has the actual detail, it is basically an extension of the first document which simply doesn't have enough space for the information.

I shall be sending you a hard copy in the post which has instructions on what to do next etc. However if you wish to discuss the matter please feel free to contact myself at any time.

Many thanks
