Location	Scheme Details	Additional notes
I would like to pay for a Traffic Regulation Order to seek views on closing the top slip road off the A249 into Detling village for a 12 month period if possible or 18 months if that is the minimum period permitted, with access allowed for emergency and public vehicles. I would like to pay for a TRO and for a 20mph zone	Carry out core testing in A249 off slip road to determine thickness of impermeable layer and presence or otherwise of coal-tar in road structure. Works being carried out under traffic management of other works, thus no TM costs.	Cores due to be taken 23 Sep 13. Results expected early October.
