### **Recovery of costs incurred by the Secretary of State**

**30.**—(1) The Secretary of State may require a charging authority whose draft charging schedule is the subject of an examination to pay the whole or any part of the costs incurred by the Secretary of State in relation to that examination.

(6) The Secretary of State may cause the amount of any costs recoverable in accordance with this regulation to be certified; and any amount so certified and required to be paid by a charging authority is recoverable from that authority as a civil debt.

## **PART 4**

### **LIABILITY**

#### **Assumption of liability**

**31.**—(1) A person who wishes to assume liability to pay CIL in respect of a chargeable development must submit an assumption of liability notice to the collecting authority.

(2) An assumption of liability notice must—

- (a) be submitted in writing on a form published by the Secretary of State (or a form to substantially the same effect); and

---

(a) Section 303A was inserted by section 1(1) of the Town and Country Planning (Costs of Inquiries etc) Act 1995 (c. 49) and amended by paragraph 11 of Schedule 6 to the Planning and Compulsory Purchase Act 2004.

(b) include the particulars specified or referred to in the form.

(3) A person who assumes liability in accordance with this regulation is liable on commencement of the chargeable development to pay an amount of CIL equal to the chargeable amount less the amount of any relief granted in respect of the chargeable development.

(4) A person is deemed to have assumed liability on the day on which the collecting authority receives a valid assumption of liability notice.

(5) On receiving a valid assumption of liability notice the collecting authority must send an acknowledgement of its receipt to the person who assumed liability.

(6) A person may withdraw an assumption of liability at any time before commencement of the chargeable development by giving notice of the withdrawal in writing to the collecting authority.

(7) Other than by way of a transfer of assumed liability, a person may not assume liability to pay CIL in respect of a chargeable development after that development has been commenced.

(8) An assumption of liability notice is valid if it complies with the requirements of paragraph (2).

### **Transfer of assumed liability**

**32.—**(1) A person who has assumed liability to pay CIL in respect of a chargeable development (P1) may transfer that assumption of liability to another person (P2) by submitting a liability transfer notice to the collecting authority.

(2) A liability transfer notice must—

(a) be submitted in writing on a form published by the Secretary of State (or a form to substantially the same effect); and

(b) include the particulars specified or referred to in the form.

(3) A liability transfer notice must be received by the collecting authority no later than the day on which the final payment of CIL is due in respect of the chargeable development.

(4) On receiving a valid liability transfer notice the collecting authority must send an acknowledgement of its receipt to P1 and P2.

(5) On the day on which the collecting authority receives a valid liability transfer notice, P2—

(a) is deemed to have assumed liability to pay CIL in respect of the chargeable development; and

(b) becomes liable to pay the outstanding amount of CIL payable in respect of the chargeable development.

(6) A liability transfer notice is valid if it complies with the requirements of paragraph (2).

### **Default liability**

**33.—**(1) This regulation applies where a chargeable development is commenced in reliance on planning permission and nobody has assumed liability to pay CIL in respect of that development.

(2) Liability to pay CIL must be apportioned between each material interest in the relevant land.

(3) Paragraph (2) is subject to paragraph (4).

(4) A person (P) is liable to pay the whole amount of CIL payable in respect of the chargeable development if—

(a) P, or a person acting on behalf of P, has entered on and taken possession of the relevant land (in whole or in part)—

(i) pursuant to a power conferred by or under statute, and

(ii) without the agreement of the owners of the relevant land;

(b) P, or a person acting on behalf of P, carries out works on the relevant land which cause the chargeable development to be commenced; and

- (c) at the time the chargeable development is commenced P is not an owner of the relevant land.

### **Apportionment of liability**

**34.**—(1) This regulation applies where liability to pay CIL is apportioned between each material interest in the relevant land.

(2) The owner (O) of a material interest in the relevant land is liable to pay an amount of CIL calculated by applying the following formula—

$$\frac{V_O \times A}{V}$$

where—

$V_O$  = the value of the material interest owned by O;

$V$  = an amount equal to the aggregate of the values of each material interest in the relevant land; and

$A$  = the chargeable amount payable in respect of the chargeable development.

(3) But where O is granted relief in respect of the chargeable development, O is liable to pay an amount of CIL equal to the amount calculated in accordance with paragraph (2) less the amount of relief granted to O.

(4) For the purposes of paragraph (2), the value of a material interest is the price (taking into account any value added by the chargeable development) that it might reasonably be expected to obtain if sold on the open market on the day the apportionment takes place.

(5) The price referred to in paragraph (4) shall not be assumed to be reduced on the ground that the whole of the relevant land is to be placed on the open market at the same time.

### **Apportionment of liability: information notice**

**35.**—(1) Before a collecting authority apportions liability between each material interest in the relevant land it may serve an information notice on an owner of the relevant land.

(2) The information notice may require the owner to give such of the following information as may be specified in the notice—

(a) information as to the owner's interest in the relevant land;

(b) such other information in the owner's possession or control which the collecting authority considers relevant to assist it in apportioning liability.

(3) An information notice must inform the owner of the possible consequences of a failure to comply with the notice(a).

(4) A requirement of the information notice is complied with by giving the required information to the collecting authority in writing before the end of the period of 14 days beginning with the day on which the notice is served.

### **Default of liability**

**36.**—(1) This regulation applies where—

(a) a person (P) assumed liability to pay CIL in respect of a chargeable development; and

(b) the collecting authority has been unable to recover an amount of CIL (A) payable by P.

(2) The collecting authority may determine that liability to pay A is transferred to the owners of the relevant land.

---

(a) As to the consequences of failure to comply with an information notice, see regulation 86.

(3) But a collecting authority may not make a determination under paragraph (2) before it has made all reasonable effort to recover A using one or more of the provisions in Chapter 3 of Part 9.

(4) A collecting authority which makes a determination under paragraph (2) must—

- (a) issue and serve a default of liability notice; and
- (b) apportion liability to pay A between each material interest in the relevant land.

(5) Regulation 34 applies for the purposes of apportioning liability in accordance with paragraph (4)(b) as if references to the chargeable amount were references to A.

(6) The default of liability notice mentioned in paragraph (4)(a) must—

- (a) be issued on a form published by the Secretary of State (or a form to substantially the same effect);
- (b) state the outstanding amount of CIL payable in respect of the chargeable development;
- (c) include the other information specified in the form; and
- (d) be served on the owner of each material interest in the relevant land.

(7) A collecting authority which has made a determination under paragraph (2) may not impose a surcharge or serve a CIL stop notice in respect of the chargeable development to which the determination relates before the end of the period of seven days beginning with the day on which the default of liability notice is issued.

### **Joint liability**

**37.—**(1) Where two or more persons are joint owners of an interest in land they shall each be jointly and severally liable to pay any CIL payable in respect of that interest.

(2) Where two or more persons have assumed liability to pay CIL in respect of a chargeable development they shall each be jointly and severally liable to pay any CIL payable in respect of that chargeable development.

### **Interests held on trust**

**38.—**(1) Where a material interest in the relevant land is held by a person as a bare trustee, these Regulations apply as if that interest were vested in, and the acts of the trustee in relation to it were the acts of, the person for whom that person is the trustee.

(2) Where the trustees of a settlement are liable to pay CIL, any amount due may be recovered from any one or more of the responsible trustees.

(3) The responsible trustees in relation to a material interest in the relevant land are the persons who were trustees on the day on which the chargeable development was commenced and any person who subsequently becomes a trustee.

(4) In this regulation—

“settlement” means a trust which is not a bare trust; and

“bare trust” means a trust under which property is held by a person as trustee—

- (a) for a person who is absolutely entitled as against the trustee, or who would be so entitled but for being a minor or other person under a disability; or
  - (b) for two or more persons who are or would be jointly so entitled,
- and includes a case in which a person holds property as nominee for another.

### **Effect of death on assumed liability**

**39.—**(1) This regulation applies where a person (P) who has assumed liability to pay CIL in respect of a chargeable development dies before the chargeable development is commenced.

(2) P’s assumption of liability ceases to have effect.

(3) A person may assume liability to pay CIL in respect of the chargeable development before it is commenced.

(4) An assumption of liability under paragraph (3) must be made in accordance with regulation 31; but for the purposes of that regulation as it applies to this paragraph, an assumption of liability notice is not valid unless it is accompanied by P's death certificate.

## PART 5 CHARGEABLE AMOUNT

### Calculation of chargeable amount

40.—(1) The collecting authority must calculate the amount of CIL payable (“chargeable amount”) in respect of a chargeable development in accordance with this regulation.

(2) The chargeable amount is an amount equal to the aggregate of the amounts of CIL chargeable at each of the relevant rates.

(3) But where that amount is less than £50 the chargeable amount is deemed to be zero.

(4) The relevant rates are the rates at which CIL is chargeable in respect of the chargeable development taken from the charging schedules which are in effect—

- (a) at the time planning permission first permits the chargeable development; and
- (b) in the area in which the chargeable development will be situated.

(5) The amount of CIL chargeable at a given relevant rate (R) must be calculated by applying the following formula—

$$\frac{R \times A \times I_P}{I_C}$$

where—

A = the deemed net area chargeable at rate R;

I<sub>P</sub> = the index figure for the year in which planning permission was granted; and

I<sub>C</sub> = the index figure for the year in which the charging schedule containing rate R took effect.

(6) The value of A in paragraph (5) must be calculated by applying the following formula—

$$\frac{C_R \times (C - E)}{C}$$

where—

C<sub>R</sub> = the gross internal area of the part of the chargeable development chargeable at rate R;

C = the gross internal area of the chargeable development; and

E = an amount equal to the aggregate of the gross internal areas of all buildings which—

- (a) on the day planning permission first permits the chargeable development, are situated on the relevant land and in lawful use; and
- (b) are to be demolished before completion of the chargeable development.

(7) The index referred to in paragraph (5) is the national All-in Tender Price Index published from time to time by the Building Cost Information Service of the Royal Institution of Chartered Surveyors(a); and the figure for a given year is the figure for 1st November of the preceding year.

---

(a) Registered in England and Wales no. RC000487.

(8) But in the event that the All-in Tender Price Index ceases to be published, the index referred to in paragraph (5) is the retail prices index; and the figure for a given year is the figure for November of the preceding year.

(9) Where the collecting authority does not have sufficient information, or information of sufficient quality, to enable it to establish—

- (a) the gross internal area of a building situated on the relevant land; or
- (b) whether a building situated on the relevant land is in lawful use,

the collecting authority may deem the gross internal area of the building to be zero.

(10) For the purposes of this regulation a building is in use if a part of that building has been in use for a continuous period of at least six months within the period of 12 months ending on the day planning permission first permits the chargeable development.

(11) In this regulation “building” does not include—

- (a) a building into which people do not normally go;
- (b) a building into which people go only intermittently for the purpose of maintaining or inspecting machinery; or
- (c) a building for which planning permission was granted for a limited period.

## PART 6

### EXEMPTIONS AND RELIEF

#### Interpretation of Part 6

**41.**—(1) In this Part—

“apportionment assessment” means an assessment (carried out in accordance with regulation 34) of how liability to pay CIL in respect of the chargeable development should be apportioned between each material interest in the relevant land;

“by local advertisement” means by publication on at least one occasion in a local newspaper circulating in the whole of the area of the charging authority;

“charitable institution” means—

- (a) a charity,
- (b) a trust of which all the beneficiaries are charities, or
- (c) a unit trust scheme in which all the unit holders are charities,

and for the purposes of this definition “charity” means any person or trust established for charitable purposes only;

“charitable purpose” has the same meaning as in section 2 of the Charities Act 2006(a);

“local housing authority” has the same meaning as in section 1 of the Housing Act 1985(b);

“material disposal” means—

- (a) a transfer of a legal estate, or
- (b) the grant of a lease for a term of more than seven years from the date of the grant; and

“State aid” means aid within the meaning of Article 107(1) of the Treaty on the Functioning of the European Union(c).

---

(a) 2006 c. 50.

(b) 1985 c. 68; section 1 was amended by paragraph 5(1) of Schedule 8 to the Local Government (Wales) Act 1994 (c. 19).

(c) O.J. No. C 115, 9.5.08, p 47.

(2) For the purposes of this Part a person is eligible for charitable relief if that person is exempt from liability to pay CIL under regulation 43 or is eligible for relief from liability to pay CIL under regulation 44 or 45.

#### **Exemption for minor development**

**42.**—(1) Liability to CIL does not arise in respect of a chargeable development if, on completion of that development, the gross internal area of new build on the relevant land will be less than 100 square metres.

(2) But paragraph (1) does not apply where the chargeable development will comprise one or more dwellings.

(3) In paragraph (1) “new build” means that part of the chargeable development which will comprise new buildings and enlargements to existing buildings.

#### **Exemption for charities**

**43.**—(1) An owner (C) of a material interest in the relevant land is exempt from liability to pay CIL in respect of a chargeable development if—

- (a) C is a charitable institution; and
- (b) the chargeable development will be used wholly or mainly for charitable purposes (whether of C or of C and other charitable institutions).

(2) But paragraph (1) does not apply where—

- (a) that part of the chargeable development to be used for charitable purposes will not be occupied by or under the control of a charitable institution;
- (b) the material interest is owned by C jointly with a person who is not a charitable institution; or
- (c) exemption of C from liability to pay CIL would constitute a State aid.

(3) For the purposes of paragraph (1) use of a chargeable development for charitable purposes includes leaving it unoccupied.

#### **Discretionary charitable relief: investment activities**

**44.**—(1) An owner (C) of a material interest in the relevant land is eligible for relief from liability to pay CIL in respect of a chargeable development if—

- (a) discretionary charitable relief is available in the area in which the chargeable development will be situated;
- (b) C is a charitable institution; and
- (c) the whole or the greater part of the chargeable development will be held by C or by C and other charitable institutions as an investment from which the profits will be applied for charitable purposes (whether of C or of C and other charitable institutions).

(2) Paragraph (1) is subject to the following provisions of this regulation.

(3) Relief may not be granted under paragraph (1) if—

- (a) C intends to occupy that part of the chargeable development mentioned in paragraph (1)(c) and use it for ineligible trading activities; or
- (b) the material interest is owned by C jointly with a person who is not a charitable institution.

(4) In paragraph (3)(a) “ineligible trading activities” means trading activities other than the sale of goods donated to C where the proceeds of sale of the goods (after any deduction of expenses) are applied to the charitable purposes of C.

(5) A collecting authority may not grant relief under paragraph (1) if it is satisfied that to do so would constitute a State aid which is required to be notified to and approved by the European Commission.

#### **Other discretionary charitable relief**

**45.**—(1) This regulation applies where—

- (a) the exemption of a charitable institution (C) from liability to pay CIL in respect of a chargeable development would constitute a State aid; and
  - (b) C would otherwise be exempt from liability in respect of that development under regulation 43.
- (2) C is eligible for relief from liability to pay CIL in respect of the chargeable development if—
- (a) discretionary charitable relief is available in the area in which the chargeable development will be situated; and
  - (b) the collecting authority is satisfied that the aid in question does not need to be notified to and approved by the European Commission.

#### **Discretionary charitable relief: notification requirements**

**46.**—(1) A charging authority which wishes to make discretionary charitable relief available in its area must—

- (a) issue a document which—
    - (i) gives notice that discretionary charitable relief is available in its area and whether relief is available under regulation 44 or 45 (or both),
    - (ii) states the date on which the collecting authority will begin accepting claims for relief, and
    - (iii) includes a policy statement setting out the circumstances in which discretionary charitable relief will be granted in its area;
  - (b) publish the document on its website;
  - (c) make the document available for inspection—
    - (i) at its principal office, and
    - (ii) at such other places within its area as it considers appropriate; and
  - (d) send a copy of the document to the collecting authority (if it is not the charging authority).
- (2) Where a charging authority wishes to revise its policy on the granting of discretionary charitable relief in its area it must—
- (a) issue a document which—
    - (i) gives notice of the revised policy and whether relief is available under regulation 44 or 45 (or both),
    - (ii) states the date from which the revised policy applies, and
    - (iii) includes a revision of the policy statement mentioned in paragraph (1)(a)(iii);
  - (b) publish the document on its website;
  - (c) make the document available for inspection at the places at which the document mentioned in paragraph (1) was made available for inspection; and
  - (d) send a copy of the document to the collecting authority (if it is not the charging authority).
- (3) A charging authority which no longer wishes discretionary charitable relief to be available in its area must—

- (a) issue a statement giving notice to that effect and stating the last day on which the collecting authority will accept claims for relief;
- (b) publish the statement on its website;
- (c) make the statement available for inspection at the places at which the document mentioned in paragraph (1) was made available for inspection; and
- (d) send a copy of the statement to the collecting authority (if it is not the charging authority).

(4) The day mentioned in paragraph (3)(a) must be no earlier than the end of the period of 14 days beginning with the date on which the statement mentioned in that paragraph is published on the charging authority's website.

**Charitable relief: procedure**

47.—(1) A person who wishes to benefit from charitable relief must submit a claim for charitable relief to the collecting authority.

(2) A claim for charitable relief must—

- (a) be received by the collecting authority before the commencement of the chargeable development to which it relates;
- (b) be submitted in writing on a form published by the Secretary of State (or a form to substantially the same effect);
- (c) include the particulars specified or referred to in the form; and
- (d) where there is more than one material interest in the relevant land, be accompanied by an apportionment assessment.

(3) A claim for charitable relief will lapse where the chargeable development to which it relates is commenced before the collecting authority has notified the claimant of its decision on the claim.

(4) Where a claim is accompanied by an apportionment assessment the collecting authority may either—

- (a) accept the claimant's assessment; or
- (b) substitute its own assessment.

(5) As soon as practicable after receiving a valid claim, the collecting authority must notify the claimant in writing of—

- (a) its decision on the claim and the reasons for the decision; and
- (b) where relief is granted, the amount of relief granted.

(6) A claim for charitable relief is valid if it complies with the requirements of paragraph (2).

(7) A person who is granted charitable relief ceases to be eligible for that relief if a commencement notice is not submitted to the collecting authority on or before the day the chargeable development is commenced.

(8) Paragraph (9) applies where a charging authority issues a statement (in accordance with regulation 46(3)(a)) giving notice that discretionary charitable relief will no longer be available in its area.

(9) Any claim for discretionary charitable relief received by the collecting authority on or before the day mentioned in regulation 46(3)(a) in respect of a chargeable development situated in the charging authority's area must be considered by the collecting authority.

**Withdrawal of charitable relief**

48.—(1) This regulation applies if charitable relief is granted and one of the following ("the disqualifying event") occurs before the end of the clawback period—

- (a) the owner of a relevant interest ceases to be eligible for charitable relief;
- (b) the whole of a relevant interest is transferred to a person who is not eligible for charitable relief; or

(c) a relevant interest which is a lease is terminated before the end of its term and the owner of the reversion is not eligible for charitable relief.

(2) The charitable relief granted in respect of the relevant interest is withdrawn and the relevant person is liable to pay an amount of CIL equal to the withdrawn relief.

(3) The relevant person must notify the collecting authority in writing of the disqualifying event before the end of the period of 14 days beginning with the day on which the disqualifying event occurs.

(4) In this regulation—

“relevant interest” means an interest in land in respect of which charitable relief was granted; and

“relevant person” means the owner of the relevant interest immediately before the disqualifying event occurs.

### **Social housing relief**

**49.**—(1) A chargeable development which comprises or is to comprise qualifying dwellings (in whole or in part) is eligible for relief from liability to CIL.

(2) A qualifying dwelling is a dwelling which satisfies at least one of the following two conditions.

(3) Condition 1 is that the dwelling is let by a private registered provider of social housing, a registered social landlord (within the meaning of Part 1 of the Housing Act 1996<sup>(a)</sup>) or a local housing authority on one of the following—

- (a) an assured tenancy (excluding an assured shorthold tenancy);
- (b) an assured agricultural occupancy;
- (c) an arrangement that would be an assured tenancy or an assured agricultural occupancy but for paragraph 12(1)(h) or 12ZA of Schedule 1 to the Housing Act 1988<sup>(b)</sup>;
- (d) a demoted tenancy;
- (e) an introductory tenancy;
- (f) a secure tenancy;
- (g) an arrangement that would be a secure tenancy but for paragraph 4ZA<sup>(c)</sup> or 12 of Schedule 1 to the Housing Act 1985;
- (h) an intermediate rent basis.

(4) Condition 2 is that all of the following conditions are met—

- (a) the dwelling is occupied in accordance with shared ownership arrangements within the meaning of section 70(4) of the Housing and Regeneration Act 2008<sup>(d)</sup>;
- (b) the percentage of the value of the dwelling paid as a premium on the day on which a lease is granted under the shared ownership arrangement does not exceed 75 per cent of the market value (where the market value at any time is the price which the dwelling might reasonably be expected to fetch if sold at that time on the open market);
- (c) on the day on which a lease is granted under the shared ownership arrangement, the annual rent payable is not more than three per cent of the value of the unsold interest;
- (d) in any given year the annual rent payable does not increase by more than the percentage increase in the retail prices index for the year to September immediately preceding the anniversary of the day on which the lease was granted plus 0.5 per cent.

---

(a) 1996 c. 52; Part 1 was amended by sections 61 to 63 of the Housing and Regeneration Act 2008 so as to restrict its application to Wales.

(b) 1988 c. 50; Paragraph 12ZA was inserted by section 297(2) of the Housing and Regeneration Act 2008.

(c) Paragraph 4ZA was inserted by section 297(1) of the Housing and Regeneration Act 2008.

(d) 2008 c. 17.

(5) Relief under this regulation is referred to in these Regulations as social housing relief.

(6) Social housing relief is given by deducting the qualifying amount from what would otherwise be the amount of liability to CIL that would arise in respect of the chargeable development.

(7) In this regulation—

“assured agricultural occupancy”, “assured shorthold tenancy” and “assured tenancy” have the same meanings as in Part 1 of the Housing Act 1988;

“demoted tenancy” means a tenancy to which section 20B of the Housing Act 1988(a) or section 143A of the Housing Act 1996(b) applies;

“introductory tenancy” has the same meaning as in Chapter 1 of Part 5 of the Housing Act 1996;

“secure tenancy” has the same meaning as in Part 4 of the Housing Act 1985; and

“unsold interest” means the freehold interest or the leasehold interest owned by the person providing the dwelling.

(8) For the purposes of this regulation, a dwelling is let on an intermediate rent basis if it is let on an assured shorthold tenancy under which the rent is not more than 80 per cent of the market rent (where the market rent of a lease at any time is the rent which the lease might reasonably be expected to fetch at that time on the open market).

### **Social housing relief: qualifying amount**

**50.**—(1) The amount of social housing relief for which a chargeable development is eligible (“the qualifying amount”) must be calculated in accordance with this regulation.

(2) The qualifying amount is an amount equal to the aggregate of the qualifying amounts at each of the relevant rates.

(3) The relevant rates are the rates at which, but for social housing relief, CIL would be chargeable in respect of the part of the chargeable development which will comprise qualifying dwellings.

(4) The relevant rates must be taken from the charging schedules which are in effect—

(a) at the time planning permission first permits the chargeable development; and

(b) in the area in which the chargeable development is or will be situated.

(5) The qualifying amount at a given relevant rate (R) must be calculated by applying the following formula—

$$\frac{R \times N_R \times I_P}{I_C}$$

where—

$N_R$  = the deemed net area chargeable at rate R;

$I_P$  = the index figure for the year in which planning permission was granted; and

$I_C$  = the index figure for the year in which the charging schedule containing rate R took effect.

(6) The value of  $N_R$  in paragraph (5) must be calculated by applying the following formula—

$$\frac{Q_R \times N}{Q}$$

where—

---

(a) Section 20B was inserted by section 15(1) of the Anti-social Behaviour Act 2003 (c. 38).

(b) Section 143A was inserted by paragraph 1 of Schedule 1 to the Anti-social Behaviour Act 2003.

$Q_R$  = the gross internal area of the part of the chargeable development which will comprise qualifying dwellings, and in respect of which, but for social housing relief, CIL would be chargeable at rate R;

Q = the gross internal area of the part of the chargeable development which will comprise qualifying dwellings; and

N = the deemed net area of the part of the chargeable development which will comprise qualifying dwellings.

(7) The value of N in paragraph (6) must be calculated by applying the following formula—

$$Q - \left( \frac{Q \times E}{C} \right)$$

where—

Q = the gross internal area of the part of the chargeable development which will comprise qualifying dwellings;

E = an amount equal to the aggregate of the gross internal areas of all buildings which—

(a) on the day planning permission first permits the chargeable development, are situated on the relevant land and in lawful use, and

(b) are to be demolished before completion of the chargeable development; and

C = the gross internal area of the chargeable development.

(8) The index referred to in paragraph (5) has the same meaning as in regulation 40.

(9) A reference in this regulation to part of a chargeable development which will comprise qualifying dwellings includes a reference to part of a chargeable development which comprises qualifying dwellings.

(10) For the purposes of this regulation, a building is in use if a part of that building has been in use for a continuous period of at least six months within the period of 12 months ending on the day planning permission first permits the chargeable development.

(11) In this regulation “building” has the same meaning as in regulation 40.

### **Social housing relief: procedure**

**51.**—(1) A person wishing to benefit from social housing relief must submit a claim in accordance with this regulation.

(2) The claimant must—

(a) assume liability to pay CIL in respect of the chargeable development for which relief is claimed; and

(b) be an owner of the relevant land.

(3) The claim must—

(a) be submitted to the collecting authority in writing on a form published by the Secretary of State (or a form to substantially the same effect);

(b) be received by the collecting authority before commencement of the chargeable development;

(c) include the particulars specified or referred to in the form; and

(d) be accompanied by—

(i) a relief assessment, and

(ii) evidence that the chargeable development qualifies for social housing relief (by reference to the conditions mentioned in regulation 49).

(4) A claim for social housing relief will lapse where the chargeable development to which the claim relates is commenced before the collecting authority has notified the claimant of its decision on the claim.

(5) As soon as practicable after receiving a valid claim for social housing relief, the collecting authority must notify the claimant in writing of—

- (a) its decision on the claim and the reasons for the decision; and
- (b) if relief is granted, the qualifying amount.

(6) If social housing relief is granted in respect of the chargeable development the claimant is deemed to benefit from an amount of relief equal to the qualifying amount.

(7) A chargeable development ceases to be eligible for social housing relief if, before that chargeable development is commenced—

- (a) a commencement notice is not submitted to the collecting authority;
- (b) the claimant's assumption of liability is withdrawn or otherwise ceases to have effect; or
- (c) the claimant transfers liability to another person in accordance with regulation 32.

(8) In this regulation "relief assessment" means an assessment of the extent to which the chargeable development is eligible for social housing relief which—

- (a) identifies the qualifying dwellings and the gross internal area of those dwellings; and
- (b) includes a calculation of the qualifying amount.

### **Social housing relief: disposal of land before occupation**

**52.**—(1) This regulation applies where—

- (a) social housing relief has been granted in respect of a chargeable development;
- (b) an owner (O) of the relevant land makes a material disposal of land on which qualifying dwellings will be situated to another person (P1); and
- (c) the disposal is made before those qualifying dwellings are made available for occupation.

(2) P1 is deemed to benefit from an amount of social housing relief equal to the qualifying amount for the qualifying dwellings which will be situated on the land O disposed of to P1.

(3) The qualifying amount mentioned in paragraph (2) must be calculated in accordance with regulation 50, and for the purposes of that calculation—

- (a) the value of  $Q_R$  is the gross internal area of the part of the chargeable development—
  - (i) which will comprise qualifying dwellings and be situated on the land O disposed of to P1, and
  - (ii) in respect of which, but for social housing relief, CIL would be chargeable at rate R; and
- (b) the value of E is the value of E as calculated at the time social housing relief was granted in respect of the chargeable development.

(4) The person (P2) who, before O disposed of the land, benefited from social housing relief in respect of the part of the chargeable development situated on that land is deemed to benefit from an amount of relief equal to the residual amount.

(5) The residual amount is the difference between the amount of social housing relief from which P2 benefited before O disposed of the land and the amount from which P1 is deemed to benefit calculated in accordance with paragraph (2).

(6) O must notify the collecting authority in writing of the disposal as soon as practicable after it occurs.

(7) The notification must—

- (a) state the gross internal area of the qualifying dwellings which will be situated on the land which has been disposed of;
- (b) be accompanied by a map or plan which identifies the location of those dwellings; and
- (c) state the name and address of O, P1 and (if P2 is not O) P2.

(8) O must send a copy of the notification to P1 and (if P2 is not O) P2.

(9) On receiving the notification the collecting authority must send an acknowledgment of receipt to O, P1 and (if P2 is not O) P2.

### **Withdrawal of social housing relief**

**53.**—(1) This regulation applies whenever a disqualifying event occurs before the end of the clawback period in respect of a chargeable development for which social housing relief has been granted.

(2) A disqualifying event is any change in relation to a qualifying dwelling such that it ceases to be a qualifying dwelling.

(3) The material disposal of a qualifying dwelling does not cause it to cease being a qualifying dwelling if—

- (a) the proceeds of sale are spent on a qualifying dwelling;
- (b) the proceeds of sale are transferred to the Secretary of State, the Welsh Ministers, a local housing authority or the Homes and Communities Agency;
- (c) the disposal is made to the Welsh Ministers under paragraph 15 or 27 of Schedule 1 to the Housing Act 1996; or
- (d) the disposal is made to the Regulator of Social Housing under section 167 or 253 of the Housing and Regeneration Act 2008.

(4) The relevant person is liable to pay an amount of CIL (“the withdrawn amount”) equal to the difference between the qualifying amount immediately before the disqualifying event and the qualifying amount immediately after the disqualifying event.

(5) The qualifying amounts mentioned in paragraph (4) must be calculated in accordance with regulation 50, and for the purposes of that calculation the value of E is the value of E as calculated at the time social housing relief was granted in respect of the chargeable development.

(6) The relevant person must notify the collecting authority in writing of a disqualifying event before the end of the period of 14 days beginning with the day on which it occurs.

(7) The notification must—

- (a) state the gross internal area of the dwelling which has ceased to be a qualifying dwelling; and
- (b) be accompanied by a map or plan which identifies the location of the dwelling mentioned in sub-paragraph (a).

(8) As soon as practicable after receiving notice of the disqualifying event, the collecting authority must notify the relevant person in writing of the withdrawn amount.

(9) The notification must be accompanied by an explanation of how the withdrawn amount was calculated.

(10) In this regulation “relevant person” means the person benefiting from social housing relief in respect of the dwelling which has ceased to be a qualifying dwelling.

### **Social housing relief: information notice**

**54.**—(1) A collecting authority may serve an information notice on—

- (a) a person claiming social housing relief;
- (b) a person who has made a material disposal of land in accordance with regulation 52; or
- (c) a person required to notify the collecting authority of a disqualifying event in accordance with regulation 53(6).

(2) The information notice may require the person to give such information, documents or materials as are specified in the notice, and which are in the person’s possession or control, which the collecting authority considers relevant to assist it in—

- (a) determining the extent to which a chargeable development is eligible for social housing relief; and

(b) calculating the qualifying amount in respect of the chargeable development.

(3) An information notice must inform the person on whom it is served of the possible consequences of a failure to comply with the notice(a).

(4) A requirement of the information notice is complied with by giving the required information to the collecting authority in writing or sending the required documents or materials to the collecting authority (as the case may be) before the end of the period of 14 days beginning with the day on which the notice is served.

(5) A reference in this regulation to a chargeable development includes a reference to part of a chargeable development.

### **Discretionary relief for exceptional circumstances**

**55.**—(1) A charging authority may grant relief (“relief for exceptional circumstances”) from liability to pay CIL in respect of a chargeable development (D) if—

(a) it appears to the charging authority that there are exceptional circumstances which justify doing so; and

(b) the charging authority considers it expedient to do so.

(2) Paragraph (1) is subject to the following provisions of this regulation.

(3) A charging authority may only grant relief for exceptional circumstances if—

(a) it has made relief for exceptional circumstances available in its area;

(b) a planning obligation under section 106 of TCPA 1990(b) has been entered into in respect of the planning permission which permits D; and

(c) the charging authority—

(i) considers that the cost of complying with the planning obligation is greater than the chargeable amount payable in respect of D,

(ii) considers that to require payment of the CIL charged by it in respect of D would have an unacceptable impact on the economic viability of D, and

(iii) is satisfied that to grant relief would not constitute a State aid which is required to be notified to and approved by the European Commission.

(4) The Mayor may not grant relief for exceptional circumstances in respect of a chargeable development unless a claim for that relief is referred to the Mayor by a London borough council in accordance with regulation 58(3).

### **Exceptional circumstances: notification requirements**

**56.**—(1) A charging authority which wishes to make relief for exceptional circumstances available in its area must—

(a) issue a statement which—

(i) gives notice that relief for exceptional circumstances is available in its area, and

(ii) states the date on which the charging authority will begin accepting claims for relief for exceptional circumstances;

(b) publish the statement on its website;

(c) make the statement available for inspection—

(i) at its principal office, and

(ii) at such other places within its area as it considers appropriate; and

(d) send a copy of the statement to the collecting authority (if it is not the charging authority).

---

(a) As to the consequences of failure to comply with an information notice, see regulation 86.

(b) Section 106 was substituted by section 12 of the Planning and Compensation Act 1991 and amended by section 33 of the Greater London Authority Act 2007 (c. 24) and section 174 of the Planning Act 2008.

(2) A charging authority which no longer wishes relief for exceptional circumstances to be available in its area must—

- (a) issue a statement giving notice to that effect and stating the last day on which it will accept claims for relief for exceptional circumstances;

- (c) make the statement available for inspection at the places at which the statement mentioned in paragraph (1)(a) was made available; and
- (d) send a copy of the statement to the collecting authority (if it is not the charging authority).

(3) The day mentioned in paragraph (2)(a) must be no earlier than the end of the period of 14 days beginning with the day on which the statement mentioned in that paragraph is published on the charging authority's website.

### **Exceptional circumstances: procedure**

**57.**—(1) Relief for exceptional circumstances must be claimed in accordance with this regulation.

(2) This regulation is subject to regulation 58 in the case of a chargeable development situated in the area of a London borough council.

(3) The person claiming relief ("the claimant") must be an owner of a material interest in the relevant land.

(4) A claim for relief must—

- (a) be submitted to the charging authority in writing on a form published by the Secretary of State (or a form to substantially the same effect);
- (b) be received by the charging authority before commencement of the chargeable development;
- (c) include the particulars specified or referred to in the form; and
- (d) be accompanied by—
  - (i) an assessment carried out by an independent person of the cost of complying with the planning obligation mentioned in regulation 55(3)(b),
  - (ii) an assessment carried out by an independent person of the economic viability of the chargeable development,
  - (iii) an explanation of why, in the opinion of the claimant, payment of the chargeable amount would have an unacceptable impact on the economic viability of that development,
  - (iv) where there is more than one material interest in the relevant land, an apportionment assessment, and
  - (v) a declaration that the claimant has complied with paragraph (6).

(5) For the purposes of paragraph (4)(d) an independent person is a person who—

- (a) is appointed by the claimant with the agreement of the charging authority; and
- (b) has appropriate qualifications and experience.

(6) The claimant must send a copy of the completed claim form and the particulars referred to in paragraph (4)(d) to the owners of the other material interests in the relevant land (if any).

(7) As soon as practicable after receiving a claim for relief, the charging authority must notify the claimant in writing of its decision on the claim and (where relief is granted) the amount of relief granted.

(8) Where relief is granted the charging authority must send a copy of the decision to—

- (a) the collecting authority (if it is not the charging authority); and
- (b) the person by whom the planning obligation mentioned in regulation 55(3)(b) is enforceable (if that person is not the collecting authority or the charging authority).

(9) A claim for relief for exceptional circumstances will lapse where the chargeable development to which it relates is commenced before the charging authority has notified the claimant of its decision on the claim.

(10) A chargeable development ceases to be eligible for relief for exceptional circumstances if there is a disqualifying event.

(11) A disqualifying event occurs if—

(a) before the chargeable development is commenced—

(i) charitable or social housing relief is granted in respect of the chargeable development, or

(ii) an owner of a material interest in the relevant land makes a material disposal of that interest; or

(b) at the end of the period of 12 months beginning with the day on which the charging authority issues its decision on the claim, the chargeable development has not been commenced.

(12) Where a disqualifying event occurs an owner of a material interest in the relevant land must—

(a) notify the charging authority in writing of the disqualifying event before the end of the period of 14 days beginning with the day on which it occurs; and

(b) send a copy of the notification to the owners of the other material interests in the relevant land (if any).

(13) On receipt of the notification the charging authority must send a copy to—

(a) the collecting authority (if it is not the charging authority); and

(b) the person by whom the planning obligation mentioned in regulation 55(3)(b) is enforceable (if that person is not the collecting authority or the charging authority).

(14) Paragraph (15) applies where a charging authority issues a statement (in accordance with regulation 56(2)(a)) giving notice that relief for exceptional circumstances will no longer be available in its area.

(15) Any claim for relief for exceptional circumstances received by the charging authority on or before the day mentioned in regulation 56(2)(a) must be considered by the charging authority.

### **Exceptional circumstances: procedure in London**

**58.**—(1) Regulation 57 applies to a claim for relief for exceptional circumstances in respect of a chargeable development situated in the area of a London borough council (“the borough”) subject to the following modifications.

(2) A claim for relief for exceptional circumstances must be submitted to the borough.

(3) As soon as practicable after receiving a claim for relief, the borough must refer the claim to the Mayor if the Mayor has made relief for exceptional circumstances available in the Mayor’s area, and the borough either—

(a) has not made relief for exceptional circumstances available in its area, or

(b) considers that, despite the amount of relief that it proposes to grant in respect of the chargeable development, to require payment of any remaining CIL charged by it or any CIL charged by the Mayor (or both) would still have an unacceptable impact on the economic viability of the chargeable development.

(4) A borough refers a claim to the Mayor by—

(a) sending to the Mayor a copy of the claim form and the particulars mentioned in regulation 57(4)(d); and

(b) where the borough proposes to grant relief, informing the Mayor in writing of the amount of that relief.

(5) If a claim is referred to the Mayor in accordance with paragraph (3) the Mayor must, as soon as practicable after receiving the referral—

- (a) decide whether to grant relief on the amount of CIL chargeable by the Mayor in respect of the chargeable development; and
- (b) notify the borough in writing of the Mayor's decision and the amount of relief (if any) granted.

(6) As soon as practicable after receiving the Mayor's decision, the borough must notify the claimant in writing of the decision on the claim and the amount of any relief granted (including, where relevant, any separate decisions and amounts in respect of relief granted by the borough and the Mayor).

(7) Where relief is granted the borough must send a copy of the decision to—

- (a) the Mayor;
- (b) the collecting authority (if it is not the borough);
- (c) the person by whom the planning obligation mentioned in regulation 55(3)(b) is enforceable (if that person is not the collecting authority or the charging authority).

(8) Notification of a disqualifying event must be submitted to the borough, and the borough must send a copy of that notification to—

- (a) the collecting authority (if it is not the borough); and
- (b) the person by whom the planning obligation mentioned in regulation 55(3)(b) is enforceable (if that person is not the collecting authority or the charging authority).

## PART 7

### APPLICATION OF CIL

#### **Application to infrastructure**

**59.**—(1) A charging authority must apply CIL to funding infrastructure to support the development of its area.

(2) CIL applied by the Mayor to funding infrastructure must be applied to funding roads or other transport facilities, including, in particular, funding for the purposes of, or in connection with, scheduled works within the meaning of Schedule 1 to the Crossrail Act 2008(a).

(3) A charging authority may apply CIL to funding infrastructure outside its area where to do so would support the development of its area.

(4) For the purposes of this regulation, any reference to applying CIL includes a reference to causing it to be applied, and includes passing CIL to another person for that person to apply to funding infrastructure.

(5) This regulation is subject to regulations 60 and 61.

#### **Reimbursement of expenditure incurred and repayment of loans**

**60.**—(1) A charging authority may apply CIL to reimburse expenditure already incurred on infrastructure.

(2) Where a charging authority, other than the Mayor, has borrowed money for the purposes of funding infrastructure, it may apply CIL to repay that money, and any interest, if the conditions set out in paragraphs (4) and (5) are both met.

(3) Where the Greater London Authority or a functional body has borrowed money for the purposes of funding infrastructure consisting of roads or other transport facilities, the Mayor may

---

(a) 2008 c. 18.

apply CIL to repay that money, and any interest, if the conditions set out in paragraphs (4) and (5) are both met.

(4) Condition 1 is that the charging authority has collected CIL, or CIL has been collected on its behalf, for at least one full financial year before the date on which CIL is to be applied to repay the money.

(5) Condition 2 is that the total amount to be applied in any one financial year does not exceed the relevant percentage of CIL collected by or on behalf of the charging authority in the preceding financial year.

(6) For the purposes of paragraph (5), the relevant percentage is such percentage as the Secretary of State may direct or, in the absence of a direction, zero per cent.

(7) A direction under paragraph (6)—

- (a) must be made in respect of authorities generally;
- (b) must be in writing;
- (c) may be substituted or revoked at any time, any substitution or revocation being made by a further direction in writing.

(8) In this regulation “functional body” means—

- (a) Transport for London; or
- (b) the London Development Agency.

### **Administrative expenses**

**61.**—(1) A charging authority may apply CIL to administrative expenses incurred by it in connection with CIL.

(2) A collecting authority which collects CIL on behalf of a charging authority may apply that CIL to administrative expenses incurred by it in connection with that collection.

(3) In relation to a charging authority which collects CIL charged by it—

- (a) in years one to three, the total amount of CIL that may be applied to administrative expenses incurred during those three years, and any expenses incurred before the charging schedule was published, shall not exceed five per cent of CIL collected over the period of years one to three;
- (b) in year four, and each subsequent year, the total amount of CIL that may be applied to administrative expenses incurred during that year shall not exceed five per cent of CIL collected in that year.

(4) In relation to a collecting authority which collects CIL on behalf of a charging authority—

- (a) in years one to three the total amount of CIL that may be applied to administrative expenses incurred in connection with that collection during those three years, and any expenses incurred before the charging schedule was published, shall not exceed four per cent of CIL collected on behalf of the charging authority over the period of years one to three;
- (b) in year four, and each subsequent year, the total amount of CIL that may be applied to administrative expenses incurred in connection with that collection during that year shall not exceed four per cent of CIL collected on behalf of the charging authority in that year.

(5) In relation to a charging authority which does not collect CIL charged by it—

- (a) in years one to three the total amount of CIL that may be applied to administrative expenses incurred during those three years, and any expenses incurred before the charging schedule was published, shall not exceed the relevant percentage of CIL collected over the period of years one to three;
- (b) in year four, and each subsequent year, the total amount of CIL that may be applied to administrative expenses incurred during that year shall not exceed the relevant percentage of CIL collected in that year.

(6) In paragraph (5) the relevant percentage is five per cent less any CIL which is applied by the collecting authority pursuant to paragraph (4).

(7) For the purposes of this regulation reference to CIL collected in a year includes the value of acquired land acquired by virtue of a land payment made in that year.

(8) In this regulation—

- (a) year one begins on the date on which the charging authority's first charging schedule takes effect<sup>(a)</sup> and ends at the end of the first subsequent full financial year;
- (b) years two to four are the consecutive financial years that follow; and
- (c) in relation to a collecting authority, the reference to a charging authority in this paragraph is a reference to the charging authority on behalf of whom CIL is collected.

## Reporting

**62.**—(1) A charging authority must prepare a report for any financial year (“the reported year”) in which—

- (a) it collects CIL, or CIL is collected on its behalf; or
- (b) an amount of CIL collected by it or by another person on its behalf (whether in the reported year or any other) has not been spent.

(2) Nothing in paragraph (1) requires an authority to prepare a report about CIL which it collects on behalf of another charging authority.

(3) For the purposes of paragraph (1), CIL collected by a charging authority includes land payments made in respect of CIL charged by that authority, and CIL collected by way of a land payment has not been spent if at the end of the reported year—

- (a) development consistent with a relevant purpose has not commenced on the acquired land; or
- (b) the acquired land (in whole or in part) has been used or disposed of for a purpose other than a relevant purpose; and the amount deemed to be CIL by virtue of regulation 73(9) has not been spent.

(4) The report must include—

- (a) the total CIL receipts for the reported year;
- (b) the total CIL expenditure for the reported year;
- (c) summary details of CIL expenditure during the reported year including—
  - (i) the items of infrastructure to which CIL (including land payments) has been applied,
  - (ii) the amount of CIL expenditure on each item,
  - (iii) the amount of CIL applied to repay money borrowed, including any interest, with details of the infrastructure items which that money was used to provide (wholly or in part),
  - (iv) the amount of CIL applied to administrative expenses pursuant to regulation 61, and that amount expressed as a percentage of CIL collected in that year in accordance with that regulation; and
- (d) the total amount of CIL receipts retained at the end of the reported year.

(5) The charging authority must publish the report on its website no later than 31st December following the end of the reported year.

(6) For the purposes of this regulation—

- (a) the value of acquired land is the value stated in the agreement made with the charging authority in respect of that land in accordance with regulation 73(6)(d);

---

(a) See section 214 of the Planning Act 2008 and regulation 28.

(b) the value of a part of acquired land must be determined by applying the formula in regulation 73(10) as if references to N were references to the area of the part of the acquired land whose value is being determined.

(7) In this regulation—

“acquired land” and “relevant purpose” have the same meanings as in regulation 73;

“development” has the same meaning as in TCPA 1990;

“CIL expenditure” includes—

(a) the value of any acquired land on which development consistent with a relevant purpose has been commenced or completed, and

(b) CIL receipts transferred by the charging authority to another person to spend on infrastructure (including money transferred to such a person which it has not yet spent); and

“CIL receipts” means CIL collected by the charging authority (including the value of any acquired land) but does not include CIL collected on behalf of the charging authority by another public authority but which that authority has not yet paid to the charging authority.

### **Infrastructure: amendment to section 216 of the Planning Act 2008**

**63.**—(1) Section 216(2) of PA 2008 (application) is amended as follows.

(2) At the end of paragraph (e) insert “ and”.

(3) At the end of paragraph (f) for “, and” substitute “.”.

(4) Omit paragraph (g).

## **PART 8**

(c) any other plans, drawings, and information necessary to describe the development which is the subject of the notice.

(5) Any plans or drawings required to be provided under paragraph (4) must be drawn to an identified scale and, in the case of plans, must show the direction of North.

(6) The collecting authority must send an acknowledgment of receipt to a person who has submitted a notice of chargeable development.

(7) A person who submits a notice of chargeable development must notify the collecting authority in writing of any changes to the information provided in that notice before the chargeable development is commenced.

(8) A collecting authority may request a person who has submitted a notice of chargeable development to provide it with such further information, documents or materials which the collecting authority considers relevant to assist it in calculating the chargeable amount.

(9) For the purposes of this regulation, a building is considered in use if a part of that building has been in use for a continuous period of at least six months within the period of 12 months ending on the day the notice of chargeable development is submitted.

### **Liability notice**

**65.**—(1) The collecting authority must issue a liability notice as soon as practicable after the day on which a planning permission first permits development.

(2) A liability notice must—

- (a) be issued on a form published by the Secretary of State (or a form to substantially the same effect);
- (b) include a description of the chargeable development;

(3) The collecting authority must serve the liability notice on—

- (a) the relevant person;

- (c) each person known to the authority as an owner of the relevant land.

(4) The collecting authority must issue a revised liability notice in respect of a chargeable development if the chargeable amount or any of the particulars mentioned in paragraph (2)(e) or (f) change (whether on appeal or otherwise).

(5) A collecting authority may at any time issue a revised liability notice in respect of a chargeable development.

(6) A liability notice issued in accordance with paragraph (4) or (5) must be served in accordance with paragraph (3).

(7) A collecting authority may withdraw a liability notice issued by it by giving notice to that effect in writing to the persons on whom it was served.

(8) Where a collecting authority issues a liability notice any earlier liability notice issued by it in respect of the same chargeable development ceases to have effect.

(9) A liability notice issued in respect of a chargeable development ceases to have effect if liability to CIL would no longer arise in respect of that chargeable development.

(10) Subject to paragraph (11), a liability notice issued in respect of a chargeable development ceases to have effect once all outstanding amounts due in respect of that chargeable development have been paid to the collecting authority.

(11) A liability notice issued in respect of a chargeable development ceases to have effect at the end of the clawback period if—

- (a) charitable or social housing relief has been granted in respect of that chargeable development; and
- (b) no disqualifying event occurs before the end of the clawback period.

(12) In this regulation “relevant person” means—

- (a) in the case of a general consent, the person who has submitted a notice of chargeable development;
- (b) in the case of planning permission granted subject to a condition requiring that further approval is obtained before commencing development, the person who has applied for that approval;
- (c) in all other cases, the person who applied for planning permission.

### **Local land charges**

**66.**—(1) The chargeable amount payable in respect of a chargeable development is a local land charge.

(2) Subject to paragraph (3), the chargeable amount ceases to be a local land charge once all outstanding amounts of CIL due in respect of the chargeable development have been paid to the collecting authority.

(3) The chargeable amount ceases to be a local land charge at the end of the clawback period if—

- (a) charitable or social housing relief is granted in respect of the chargeable development; and
- (b) no disqualifying event occurs before the end of the clawback period.

(4) The chargeable amount ceases to be a local land charge if liability to CIL would no longer arise in respect of the chargeable development.

(5) For the purposes of the Local Land Charges Act 1975(a), the collecting authority is the originating authority as respects a local land charge created in accordance with this regulation.

### **Commencement notice**

(4) On receiving a valid commencement notice the collecting authority must send an acknowledgment of its receipt to the person who submitted it.

(5) Where charitable or social housing relief has been granted in respect of the chargeable development, the acknowledgement must state the date on which the clawback period ends (on the assumption that the chargeable development is commenced on the intended commencement date).

---

(a) 1975 c. 76.

(6) Where a collecting authority receives a valid commencement notice any earlier commencement notice received by it in respect of the same chargeable development ceases to have effect.

(7) A person who has submitted a commencement notice may withdraw it at any time before the commencement of the chargeable development to which it relates by giving notice in writing to the collecting authority.

(8) A commencement notice is valid if it complies with the requirements of paragraph (2).

### **Deemed commencement of chargeable development**

**68.** A collecting authority must determine the day on which a chargeable development was commenced (“the deemed commencement date”) if it—

- (a) has not received a commencement notice in respect of the chargeable development but has reason to believe it has been commenced; or
- (b) has received a commencement notice in respect of the chargeable development but has reason to believe that it was commenced earlier than the intended commencement date.

### **Demand notice**

**69.—**(1) The collecting authority must serve a demand notice on each person liable to pay an amount of CIL in respect of a chargeable development.

(2) A demand notice must—

(3) The collecting authority may at any time serve a revised demand notice on a person liable to pay an amount of CIL.

(4) The collecting authority must serve a revised demand notice on a person on whom it has served a demand notice if any of the particulars mentioned in paragraph (2)(d), (e) or (f) change (whether on appeal or otherwise).

(5) Where a collecting authority serves a demand notice on a person, any earlier demand notice served on that person in respect of the same chargeable development ceases to have effect.

### **Payment periods**

**70.—**(1) This regulation applies where—

- (a) a person has assumed liability to pay CIL in respect of a chargeable development (D);
- (b) the collecting authority has received a commencement notice in respect of D; and
- (c) the collecting authority has not determined a deemed commencement date for D.

---

(a) See regulation 70.

(2) Where the chargeable amount is equal to or greater than £40,000, payment of the amount of CIL payable in respect of D (A) is due in four equal instalments at the end of the periods of 60, 120, 180 and 240 days beginning with the intended commencement date of D.

(3) Where the chargeable amount is equal to or greater than £20,000 and less than £40,000, payment of A is due in three equal instalments at the end of the periods of 60, 120 and 180 days beginning with the intended commencement date of D.

(4) Where the chargeable amount is equal to or greater than £10,000 and less than £20,000, payment of A is due in two equal instalments at the end of the periods of 60 and 120 days beginning with the intended commencement date of D.

(5) Where the chargeable amount is less than £10,000, payment of A is due in full at the end of the period of 60 days beginning with the intended commencement date of D.

(6) Where an amount payable in accordance with this regulation is not received in full on or before the day on which it is due—

- (a) the unpaid balance of A becomes payable in full immediately; and
- (b) the collecting authority must send a copy of any demand notice which it serves as a result of the non-payment to each person known to the authority as an owner of the relevant land.

### **Payment in full**

**71.**—(1) The amount of CIL payable in respect of a chargeable development (D) is due in full on the intended commencement date if—

- (a) nobody has assumed liability to pay CIL in respect of D;
- (b) the collecting authority has received a commencement notice in respect of D; and
- (c) the collecting authority has not determined a deemed commencement date for D.

(2) Where the collecting authority determines a deemed commencement for a chargeable development, the amount of CIL payable in respect of that chargeable development is due in full on the deemed commencement date.

(3) Where the collecting authority transfers liability to pay an amount to the owners of the relevant land<sup>(a)</sup>, payment of that amount is due in full immediately.

(4) Where a person is liable to pay an amount as a result of a disqualifying event, payment of that amount is due in full—

- (a) at the end of the period of seven days beginning with the day on which a demand notice requiring payment of the amount is issued, if the collecting authority receives notification of the disqualifying event; or
- (b) immediately, if the collecting authority does not receive notification of the disqualifying event.

### **Payment: general**

**72.**—(1) This regulation applies to CIL which is paid in money.

(2) Payment must be made to the collecting authority.

(3) Payment is deemed to have been received by the collecting authority on the day on which it receives the cleared funds.

(4) On receiving a payment the collecting authority must send an acknowledgment of receipt to the person making the payment.

---

(a) See regulation 36(2).

## Payment in kind

73.—(1) A charging authority may accept one or more land payments in satisfaction of the whole or part of the CIL due in respect of a chargeable development.

(2) A land payment is an acquisition of land from a person who would be liable to pay CIL in respect of a chargeable development on commencement of that chargeable development.

(3) Where CIL is paid by way of a land payment the amount of CIL paid is an amount equal to the value of the acquired land.

(4) Paragraph (1) is subject to the following provisions of this regulation.

(5) A charging authority must aim to ensure that acquired land is used for a relevant purpose.

(6) A charging authority may not accept a land payment unless—

- (a) the chargeable amount payable in respect of the chargeable development is greater than £50,000;
- (b) the acquired land is acquired by the charging authority or a person nominated by the charging authority (with that person's agreement);
- (c) the person from whom the land will be acquired has assumed liability to pay CIL in respect of the chargeable development; and
- (d) an agreement to make the land payment is entered into before the chargeable development is commenced.

(7) The agreement mentioned in paragraph (6)(d)—

- (a) must be in writing and state the value of the land to be acquired; and
- (b) may not form part of a planning obligation entered into under section 106 of TCPA 1990.

(8) Where a person other than the charging authority is to acquire the land, the charging authority may not enter into the agreement mentioned in paragraph (6)(d) unless it is satisfied that the person acquiring the land intends to use it for a relevant purpose.

(9) If acquired land is used for a purpose other than a relevant purpose, the charging authority must deem an appropriate cash amount held by it to be CIL.

(10) The appropriate cash amount in respect of a given land payment must be calculated by applying the following formula—

$$\frac{N \times V}{A}$$

where—

N = the area of the part of the acquired land not used for a relevant purpose;

A = the area of the acquired land; and

V = the value of the acquired land as stated in the agreement entered into in accordance with paragraph (6)(d).

(11) For the purposes of this regulation, the value of acquired land must be determined by an independent person and is the price that the land might reasonably be expected to obtain if sold on the open market on the day the valuation takes place.

(12) The price referred to in paragraph (11) shall not be assumed to be reduced on the ground that the whole of the acquired land is to be placed on the open market at the same time.

(13) For the purposes of this regulation, land is used for a relevant purpose if it is used to provide or facilitate (in any way) the provision of infrastructure to support the development of the charging authority's area.

(14) In this regulation—

“acquired land” means land acquired by way of a land payment;

“independent person” means a person who—

- (a) is appointed by a person other than the charging authority with the agreement of—
    - (i) the charging authority, and
    - (ii) the person liable to pay CIL in respect of the chargeable development, and
  - (b) has appropriate qualifications and experience; and
- “land” includes existing buildings and other structures, land covered with water, and any estate, interest, easement, servitude or right in or over land.

#### **Payment in kind: further provision**

**74.**—(1) This regulation applies where the CIL payable in respect of a chargeable development is payable (in whole or in part) by way of one or more land payments.

(2) References in regulations 36, 69 and 70 to an amount which is payable (however expressed) include references to a land payment which is payable.

(3) A land payment is deemed to have been received on the day on which the land which is the subject of the payment is acquired.

(4) For the purposes of regulation 70—

- (a) an instalment may be paid by way of a land payment or in money, or a combination of the two; and
- (b) more than one instalment may be paid by way of a given land payment.

(5) For the purposes of regulation 70(6), the unpaid balance must be paid in money.

(6) Where the collecting authority has determined a deemed commencement date in respect of the chargeable development in accordance with regulation 68, the amount of CIL payable in respect of that chargeable development is due in full and must be paid in money.

(7) An agreement to make a land payment is void if, and to the extent that, it purports to bind a charging authority to accept a land payment other than in accordance with these Regulations.

#### **Overpayment**

**75.**—(1) Where a person (P) is liable to pay CIL and the amount paid by P proves to be greater than the amount for which P is liable, the collecting authority must, as soon as practicable, repay the overpayment.

(2) But the collecting authority is not required to repay an overpayment where—

- (a) it is satisfied that the amount of the overpayment is less than any reasonable administrative costs which it would incur in making the repayment; or
- (b) the overpayment is a result of a land payment.

(3) Where a person is entitled to a repayment, the collecting authority must pay that person an additional amount by way of interest on the repayment at a rate which is the higher of—

- (a) 0.5% per annum; and
- (b) a percentage per annum equal to the Bank of England base rate less one percentage point.

#### **Payments to charging authorities**

**76.**—(1) This regulation applies where a collecting authority collects CIL on behalf of a charging authority.

(2) The collecting authority must pay to a charging authority an amount (X) equal to the payments it receives (Y) in respect of CIL charged by that charging authority less that part of Y which (in accordance with regulation 61(4)) the collecting authority applies to administrative expenses incurred by it in connection with collecting Y.

(3) Subject to paragraph (4), X must be paid to the charging authority by the collecting authority by the end of the financial quarter in which Y is received.

(4) Where the collecting authority first collects CIL on behalf of the charging authority, X must be paid to the charging authority by the end of the first full financial quarter following the day on which the collecting authority first receives a payment of CIL charged by that charging authority.

(5) In this regulation “financial quarter” means a period of three months ending with the last day of March, June, September or December.

#### **Duty to supply information to collecting authority**

**77.**—(1) The relevant person (where that person is not the collecting authority) must supply the collecting authority with the following information within 14 days of the day on which planning permission first permits a chargeable development—

- (a) sufficient information to identify the planning permission;
- (b) the name and address of the person who applied for the planning permission;
- (c) the name and address of each person known to the relevant person as an owner of the relevant land;
- (d) the address of the site to which the planning permission relates;
- (e) the date on which planning permission first permitted the chargeable development; and
- (f) any information held by the relevant person which the relevant person considers the collecting authority requires in order to calculate the chargeable amount.

(2) In paragraph (1) “relevant person” means the person who granted planning permission.

(3) This regulation does not apply where planning permission is granted by way of a general consent.

#### **Requests for information by collecting authority**

**78.**—(1) A collecting authority may request, by notice given in writing, a relevant person to supply to it such relevant information as is specified in the notice.

(2) Information requested under paragraph (1) must be supplied by the person requested to supply it if it is in that person’s possession or control, and it must be so supplied within 21 days of the day on which the request is made.

(3) A relevant person may, so far as that person does not have the power to do so apart from under this regulation, supply relevant information to a collecting authority even if it is not requested to supply the information.

(4) Information is relevant information for the purposes of this regulation if it is information which the collecting authority requires for the purposes of carrying out its functions under these Regulations.

(5) In this regulation “relevant person” means—

- (a) a charging authority;
- (b) a local planning authority (within the meaning of TCPA 1990);
- (c) the Secretary of State; or
- (d) the Infrastructure Planning Commission.

#### **Use of information by collecting authority**

**79.**—(1) In carrying out its functions under these Regulations a collecting authority may use information obtained under any other enactment provided it does not fall within paragraph (2).

(2) Information falls within this paragraph if—

- (a) it was obtained by a committee of the authority in its capacity as a police authority; or
- (b) it was obtained by the authority in its capacity as an employer.

**PART 9**  
**ENFORCEMENT**  
**CHAPTER 1**  
**SURCHARGES AND INTEREST**

**Surcharge for failure to assume liability**

**80.** A collecting authority may impose a surcharge of £50 on each person liable to pay CIL in respect of a chargeable development if—

- (a) nobody has assumed liability to pay CIL in respect of the chargeable development; and
- (b) the chargeable development has been commenced.

**Surcharge: apportionment of liability**

**81.**—(1) Where a collecting authority is required to apportion liability to pay CIL between each material interest in the relevant land, it may impose a surcharge of £500 in respect of each of those interests.

(2) A surcharge imposed in respect of a material interest under paragraph (1) is payable by the owner of that interest.

(3) A surcharge is not payable under this regulation where the collecting authority is required to apportion a surcharge.

**Surcharge for failure to submit a notice of chargeable development**

**82.**—(1) Where—

- (a) planning permission is granted for a chargeable development (D) by way of a general consent; and
- (b) D is commenced before the collecting authority has received a notice of chargeable development,

the collecting authority may impose a surcharge equal to 20 per cent of the chargeable amount payable in respect of D or £2500, whichever is the lower amount.

(2) Where the collecting authority is required to apportion liability between each material interest in the relevant land in respect of D—

- (a) the surcharge must be apportioned on the same basis; and
- (b) the owner of a material interest must pay the part of the surcharge apportioned to that interest.

(3) In all other cases the surcharge is payable by the person liable to pay CIL in respect of D.

**Surcharge for failure to submit a commencement notice**

**83.**—(1) Where a chargeable development (D) is commenced before the collecting authority has received a valid commencement notice in respect of D, the collecting authority may impose a surcharge equal to 20 per cent of the chargeable amount payable in respect of D or £2500, whichever is the lower amount.

(2) Where a person has assumed liability to pay CIL in respect of D, the collecting authority must notify in writing each person known to it as an owner of the relevant land of the imposition of the surcharge.

(3) Where the collecting authority is required to apportion liability between each material interest in the relevant land in respect of D—

- (a) the surcharge must be apportioned on the same basis; and

(b) the owner of a material interest must pay the part of the surcharge apportioned to that interest.

(4) In all other cases the surcharge is payable by the person liable to pay CIL in respect of D.

### **Surcharge: disqualifying events**

**84.**—(1) This regulation applies where a person who is required to notify the relevant authority of a disqualifying event fails to do so before the end of the period of 14 days beginning with the day on which the disqualifying event occurs.

(2) The relevant authority may impose a surcharge equal to 20 per cent of the chargeable amount payable in respect of the chargeable development to which the disqualifying event relates, or £2500, whichever is the lower amount.

(3) Where the disqualifying event occurs before commencement of the chargeable development, the surcharge is payable on commencement of that chargeable development.

(4) In all other cases the surcharge is payable on the day that it is imposed.

(5) Where the disqualifying event occurs in relation to a grant of social housing relief, the surcharge is payable by the relevant person within the meaning of regulation 53(10).

(6) Where the disqualifying event occurs in relation to a grant of charitable relief, an owner of a material interest in the relevant land in respect of which charitable relief was granted must pay an appropriate portion of the surcharge.

(7) The appropriate portion is an amount which bears to the total surcharge the same proportion as the value of the material interest bears to the total value of all the material interests in the relevant land in respect of which charitable relief was granted.

(8) For the purposes of paragraph (7) the value of a material interest must be determined in accordance with paragraphs (4) and (5) of regulation 34.

(9) Paragraphs (10) and (11) apply where the disqualifying event occurs in relation to a grant of relief for exceptional circumstances.

(10) Where liability in respect of the chargeable development is apportioned between each material interest in the relevant land—

(a) the surcharge must be apportioned on the same basis; and

(b) the owner of a material interest must pay the part of the surcharge apportioned to that interest.

(11) In all other cases the surcharge is payable by the person liable to pay CIL in respect of the chargeable development.

(12) In this regulation “relevant authority” means—

(a) where the disqualifying event occurs in relation to a grant of relief for exceptional circumstances, the charging authority;

(b) in all other cases, the collecting authority.

### **Surcharge for late payment**

**85.**—(1) Where—

(a) a person (P) is liable to pay an amount (A) under these Regulations; and

(b) A is not received in full after the end of the period of 30 days beginning with the day on which payment of A is due,

the collecting authority may impose a surcharge on P equal to five per cent of A or £200, whichever is the greater amount.

(2) If any part of A is not received after the end of the period of six months beginning with the day on which payment of A is due, the collecting authority may impose a surcharge on P equal to five per cent of the unpaid amount or £200, whichever is the greater amount.

(3) If any part of A is not received after the end of the period of 12 months beginning with the day on which payment of A is due, the collecting authority may impose a surcharge on P equal to five per cent of the unpaid amount or £200, whichever is the greater amount.

#### **Surcharge for failure to comply with an information notice**

**86.**—(1) This regulation applies where a person (P) fails to comply with any requirement of an information notice before the end of the period of 14 days beginning with the day on which the notice is served.

(2) The collecting authority may impose a surcharge on P equal to 20 per cent of the relevant amount or £1000, whichever is the lower amount.

(3) In paragraph (2) “relevant amount” means the amount of CIL P is liable to pay in respect of the chargeable development.

#### **Late payment interest**

**87.**—(1) Where—

- (a) a person (P) is liable to pay an amount (A) under these Regulations; and
- (b) A is not received (in whole or in part) on the day payment of A is due,

P must pay interest (“late payment interest”) on the relevant amount.

(2) Late payment interest must be calculated—

- (a) for the period starting on the day after the day payment was due and ending on the day the unpaid amount is received; and
- (b) at an annual rate of 2.5 percentage points above the Bank of England base rate.

(3) Late payment interest is not payable on late payment interest.

(4) Paragraph (2)(a) applies even if the day on which payment of A is due is a non-business day within the meaning of section 92 of the Bills of Exchange Act 1882(a) (computation of time).

(5) In this regulation “relevant amount” means—

- (a) where A is an unpaid instalment (payable in accordance with regulation 70), the unpaid balance of the amount payable by P in respect of the chargeable development;
- (b) in all other cases the unpaid amount.

#### **Surcharges and interest: general**

**88.**—(1) A surcharge or interest payable by a person under this Chapter must be collected by treating it as if it were part of the CIL that person is liable to pay.

(2) A surcharge or interest paid to a collecting authority under this Chapter must be treated for the purposes of Part 7 as if it were CIL.

## CHAPTER 2 CIL STOP NOTICES

#### **Preliminary steps**

**89.**—(1) This regulation applies if—

- (a) an amount which has become payable in respect of a chargeable development has not been paid; and
- (b) the collecting authority considers it expedient that development should stop until the amount has been paid.

---

(a) 1882 c. 61; section 92 was amended by sections 3(1) and 4(4) of the Banking and Financial Dealings Act 1971 (c. 80).

(2) The collecting authority may issue a notice warning of its intention to impose a CIL stop notice (“warning notice”) in respect of the chargeable development.

(3) A warning notice must be served on—

- (a) the person who is liable for the unpaid amount;
- (b) each person known to the authority as an owner of the relevant land;
- (c) each person known to the authority as an occupier of the relevant land; and
- (d) any other person whom the collecting authority considers may be materially affected by a CIL stop notice.

(4) A warning notice must be in writing and must—

- (a) state the date of the notice;
- (b) set out the authority’s reasons for issuing the warning notice;
- (c) state the unpaid amount;
- (d) state that payment of the unpaid amount is due in full immediately;
- (e) state the period after which a CIL stop notice may be issued if the unpaid amount is not paid (which must not be less than three days or more than 28 days after the warning notice is issued); and
- (f) specify the effect of, and possible consequences of failure to comply with, a CIL stop notice<sup>(a)</sup>.

(5) The collecting authority must display a copy of the warning notice on the relevant land.

### **Service of CIL stop notice**

**90.**—(1) This regulation applies if—

- (a) the collecting authority has issued a warning notice in respect of a chargeable development; and
- (b) the amount specified in the warning notice is unpaid (in whole or in part) at the end of the period specified in the notice.

(2) The collecting authority may serve a CIL stop notice in respect of the chargeable development.

(3) A CIL stop notice must be served on—

- (a) the person who is liable to pay the unpaid amount;
- (b) each person known to the authority an owner of the relevant land;
- (c) each person known to the authority as an occupier of the relevant land; and
- (d) any other person whom the collecting authority considers may be materially affected by the CIL stop notice.

(4) The CIL stop notice must be in writing and must—

- (a) state the date on which it is to take effect;
- (b) set out the authority’s reasons for issuing the notice;
- (c) state the unpaid amount;
- (d) state that payment of the unpaid amount is due in full immediately;
- (e) specify the relevant activity which must cease; and
- (f) specify the possible consequences of failure to comply with the notice.

(5) In paragraph (4)(e) “relevant activity” means any activity connected with the chargeable development which is specified in the CIL stop notice as an activity which the collecting authority

---

(a) As to the consequences of failure to comply with a CIL stop notice, see regulations 93 and 94.

requires to cease, and any activity carried out as part of that activity or associated with that activity.

(6) The collecting authority must display a copy of the CIL stop notice on the relevant land.

(7) A CIL stop notice does not prohibit any works on the relevant land which are necessary in the interests of health and safety.

(8) A CIL stop notice has effect from the date specified in the notice until the date it is withdrawn by the collecting authority.

### **Withdrawal of a CIL stop notice**

**91.**—(1) A collecting authority may withdraw a CIL stop notice at any time (without prejudice to its power to issue another) by serving written notice to that effect on the persons served with the CIL stop notice.

(2) A collecting authority must withdraw a CIL stop notice when the unpaid amount stated in the notice is paid in full to the collecting authority.

(3) A collecting authority which withdraws a CIL stop notice must display a notice of the withdrawal on the relevant land in place of the CIL stop notice.

(4) A CIL stop notice ceases to have effect on the day the collecting authority serves notice of its withdrawal.

### **Registration of a CIL stop notice**

**92.**—(1) The register kept under section 188 of TCPA 1990 (register of enforcement and stop notices) must, in addition to the information specified in subsection (1) of that section, include the following information in respect of every CIL stop notice issued in relation to land in the area of the authority maintaining the register—

- (a) the address of the land to which the notice relates or a plan by reference to which its location can be ascertained;
- (b) details of the relevant planning permission sufficient to enable it to be identified;
- (c) the name of the collecting authority;
- (d) the date of issue of the notice;
- (e) the date of service of the notice;
- (f) the date specified in the notice as the date on which it is to take effect; and
- (g) a statement or summary of the activity prohibited by the notice.

(2) All entries relating to a CIL stop notice must be removed from the register if the notice is withdrawn or quashed.

(3) Where a collecting authority which does not maintain a register issues a CIL stop notice it must—

- (a) supply the information specified in paragraph (1) to the authority which maintains the register for the land to which the notice relates; and
- (b) inform that authority in writing if the CIL stop notice is withdrawn or quashed.

(4) The information specified in paragraph (1) must be entered in the register as soon as practicable and in any event before the end of the period of 14 days beginning with the day on which the CIL stop notice is issued.

### **Offence**

**93.**—(1) A person commits an offence if the person contravenes a CIL stop notice—

- (a) which has been served on that person; or
- (b) a copy of which has been displayed in accordance with regulation 90(6).

(2) Contravention of a CIL stop notice includes causing or permitting the contravention of the notice.

(3) An offence under this regulation may be charged by reference to a day or a longer period of time.

(4) A person may be convicted of more than one such offence in relation to the same CIL stop notice by reference to different days or periods of time.

(5) It is a defence for a person charged with an offence under this regulation to prove that—

(a) the CIL stop notice was not served on the person; and

(b) the person did not know, and could not reasonably have been expected to know, of its existence.

(6) A person convicted of an offence under this regulation is liable—

(a) on summary conviction, to a fine not exceeding £20,000; or

(b) on conviction on indictment, to a fine.

(7) In determining the amount of the fine the court must have regard in particular to any financial benefit which has accrued or has appeared to accrue to the person convicted in consequence of the offence.

### **Injunctions**

**94.**—(1) A collecting authority may apply to the court for an injunction if it considers it necessary or expedient for any actual or apprehended breach of a CIL stop notice to be restrained by injunction.

(2) On an application under this regulation the court may grant such an injunction as the court thinks fit for the purpose of restraining the breach.

(3) In this regulation “the court” means the High Court or a county court.

## **CHAPTER 3 RECOVERY OF CIL**

### **Interpretation and application of Chapter 3**

**95.**—(1) In this Chapter—

“authority concerned” means the collecting authority which applied for one or more liability orders against a debtor under regulation 97;

“charging order” means an order under regulation 103;

“debtor” means a person against whom a liability order has been made;

“liability order” means an order under regulation 97; and

“reminder notice” means a notice served under regulation 96.

(2) An amount which has become payable to a collecting authority under these Regulations and which has not been paid is recoverable in accordance with this Chapter.

### **Liability orders: reminder notice**

**96.**—(1) Before a collecting authority applies for a liability order it must serve on the person against whom the application is to be made a notice (“reminder notice”) which must state every amount in respect of which the authority is to make the application.

(2) A reminder notice may be served in respect of an amount at any time after it has become due.

### **Application for liability order**

**97.**—(1) Where the amount stated in a reminder notice is wholly or partly unpaid at the end of the period of seven days beginning with the day on which the reminder notice was served, the collecting authority may apply to a magistrates' court for an order ("liability order") against the person by whom it is payable.

(2) An application is instituted by making a complaint to a justice of the peace, and requesting the issue of a summons directed to that person to appear before the court to show why the person has not paid the outstanding amount.

(3) Section 127(1) of the Magistrates' Courts Act 1980(a) (limitation of time) does not apply to such an application; but no application may be instituted in respect of an outstanding amount after the period of six years beginning with the day that amount became due.

(4) Section 55(2) of the Magistrates' Courts Act 1980 (non-appearance of defendant) does not apply to any proceedings under this regulation.

(5) The court must make the liability order if it is satisfied that the amount has become payable by the defendant and has not been paid.

(6) An order made pursuant to paragraph (5) must be made in respect of an amount equal to the aggregate of—

- (a) the outstanding amount; and
- (b) an amount equal to the costs reasonably incurred by the collecting authority in obtaining the order.

(7) Where the outstanding amount is paid after an order has been applied for under paragraph (2) but before it has been made, the court must nonetheless (if so requested by the collecting authority) make the order in respect of an amount equal to the costs reasonably incurred by the authority in making the application.

(8) A single liability order may deal with one person and one such amount as is mentioned in paragraph (6) and (7) or, if the court thinks fit, may deal with more than one person and more than one such amount.

(9) No liability order may be made in pursuance of a summons issued under paragraph (2) before the end of the period of 14 days beginning with the day on which the summons was served.

(10) The amount in respect of which a liability order is made is enforceable in accordance with this Chapter; and accordingly for the purposes of Part 3 of the Magistrates' Court Act 1980 (satisfaction and enforcement) it is not to be treated as a sum adjudged to be paid by order of the court.

### **Distress**

**98.**—(1) Where a liability order has been made the authority concerned may levy the appropriate amount by distress and sale of goods of the debtor against whom the liability order was made.

(2) Without prejudice to paragraph (12) no person making a distress may seize any clothing, bedding, furniture, household equipment or provisions which are necessary for satisfying the basic domestic needs of the debtor and his family.

(3) The appropriate amount for the purposes of paragraph (1) is the aggregate of—

- (a) an amount equal to any amount which is or forms part of the amount in respect of which the liability order was made; and
- (b) a sum in respect of charges connected with distress.

---

(a) 1980 c. 43.

(4) Schedule 3 to the Non-Domestic Rating (Collection and Enforcement) (Local Lists) Regulations 1989(a) applies for the purpose of determining the sum referred to in paragraph (3)(b).

(5) If, before any goods are seized, the appropriate amount (including charges arising up to the time of the payment or tender) is paid or tendered to the authority, the authority must accept the amount and not proceed with the levy.

(6) Where an authority has seized goods of the debtor in pursuance of distress, but before sale of the goods the appropriate amount (including charges arising up to the time of the payment or tender) is paid or tendered to the authority, the authority must—

- (a) accept the amount and not proceed with the levy; and
- (b) make the goods available for collection by the debtor.

(7) The person levying distress on behalf of the authority must—

- (a) produce written evidence of the person's authority, if so requested by the debtor;
- (b) hand to the debtor, or leave at the premises where the distress is levied, a copy of this regulation and a memorandum setting out the appropriate amount; and
- (c) hand to the debtor a copy of any close or walking possession agreement entered into.

(8) A distress may be made anywhere in England and Wales.

(9) No distress under this regulation may be made other than by a person who is authorised to act as a bailiff by a general certificate granted under section 7 of the Law of Distress Amendment Act 1888(b) (distress to be levied by certified bailiffs).

(10) A distress shall not be deemed unlawful on account of any defect or want of form in the liability order, and no person making a distress shall be deemed a trespasser on that account.

(11) No person making a distress shall be deemed a trespasser from the beginning on account of any subsequent irregularity in making the distress; but a person sustaining special damage by reason of the subsequent irregularity may recover full satisfaction for the special damage (and no more) by proceedings in trespass or otherwise.

(12) The provisions of this regulation do not affect the operation of any enactment which protects goods of any class from distress.

### **Appeals in connection with distress**

**99.**—(1) A person aggrieved by the levy of, or an attempt to levy, a distress may appeal to a magistrates' court.

(2) The appeal must be instituted by making a complaint to a justice of the peace, and requesting the issue of a summons directed to the authority which levied or attempted to levy the distress to appear before the court to answer to the matter by which the person is aggrieved.

(3) If the court is satisfied that a levy was irregular, it may—

- (a) order the goods distrained to be discharged if they are in the possession of the authority;
- (b) by order award compensation in respect of any goods distrained and sold.

(4) The amount of compensation that may be awarded under paragraph (3)(b) is an amount equal to the amount which, in the opinion of the court, would be awarded by special damages in respect of the goods if proceedings were brought in trespass or otherwise in connection with the irregularity under regulation 98(11).

(5) If the court is satisfied that an attempted levy was irregular, it may by order require the authority to desist from levying in the manner giving rise to the irregularity.

(b) 1888 c. 21; section 7 was amended by paragraph 2 of Schedule 8 to the Courts Act 1971 (c. 23) and section 74 of the Courts and Legal Services Act 1990 (c. 41).

## **Commitment to prison**

**100.**—(1) A collecting authority may apply to a magistrates' court for the issue of a warrant committing a debtor to prison where—

- (a) the debtor is an individual;
- (b) the authority has sought to levy an amount by distress under regulation 98 and the person making the distress reports that they were unable (for whatever reason) to find any or sufficient goods of the debtor on which to levy the amount; and
- (c) the authority is able to demonstrate to the court that it is unable to recover the amount payable by the debtor by means of a charging order under regulation 103.

(2) On such an application being made the court must (in the debtor's presence) inquire as to the debtor's means and inquire whether the failure to pay the debt which led to the liability order being made against the debtor was due to the debtor's wilful refusal or culpable neglect.

(3) If (and only if) the court is of the opinion that the failure to pay the debt was due to the debtor's wilful refusal or culpable neglect it may if it thinks fit—

- (a) issue a warrant of commitment against the debtor; or
- (b) fix a term of imprisonment and postpone the issue of the warrant until such time and on such conditions (if any) as the court thinks just.

(4) The warrant must be made in respect of the relevant amount; and the relevant amount for this purpose is the aggregate of—

- (a) the appropriate amount mentioned in regulation 98(3), or (as the case may be) so much of it as remains outstanding; and
- (b) a sum of an amount equal to the costs reasonably incurred by the collecting authority in respect of the application.

(5) The warrant—

- (a) must state the relevant amount mentioned in paragraph (4);
- (b) may be directed to the authority making the application and to such other persons as the court issuing it thinks fit; and
- (c) may be executed anywhere in England and Wales by any person to whom it is directed.

(6) If—

- (a) before a warrant has been issued, or a term of imprisonment fixed and the issue of a warrant postponed, an amount determined in accordance with paragraph (7) is paid or tendered to the authority;
  - (b) after a term of imprisonment has been fixed and the issue of a warrant postponed, any amount the court has ordered the debtor to pay is paid or tendered to the authority; or
  - (c) after a warrant has been issued, the amount stated in it is paid or tendered to the authority,
- the authority must accept the amount concerned, take no further steps as regards its recovery, and the debtor, if committed to prison, must be released.

(7) The amount referred to in paragraph (6)(a) is the aggregate of—

- (a) the appropriate amount mentioned in regulation 98(3) (or so much of it as remains outstanding); and
- (b) the authority's reasonable costs incurred up to the time of payment or tender.

(8) Subject to paragraphs (9) and (10) the warrant must order that the debtor be imprisoned for a time specified in the warrant (which must not exceed three months) unless the amount stated in the warrant is paid sooner.

(9) Where—

- (a) a warrant is issued after a postponement under paragraph (3)(b); and

- (b) since the term of imprisonment was fixed but before the issue of the warrant, the amount mentioned in paragraph (4)(a) with respect to which the warrant would (but for the postponement) have been made has been reduced by a part payment,

the period of imprisonment ordered under the warrant must be the term fixed under paragraph (3) reduced by such numbers of days as bears to the total number of days in that term less one day the same proportion as the part paid bears to that amount.

(10) Where, after the issue of a warrant, a part payment of the amount stated in it is made, the period of imprisonment must be reduced by such number of days as bears to the total number of days in the term of imprisonment specified in the warrant less one day the same proportion as the part paid bears to the amount so stated.

(11) In calculating a reduction required under paragraphs (9) and (10)—

- (a) any fraction of a day must be left out of account; and
- (b) rule 55(1), (2) and (3) of the Magistrates' Courts Rules 1981(a) (payment after imprisonment imposed) applies (so far as is relevant) to a part payment as if the imprisonment concerned were imposed for want of sufficient distress to satisfy a sum adjudged to be paid by a magistrates' court.

### **Commitment to prison: further provision**

**101.**—(1) A single warrant may not be issued under regulation 100 against more than one person.

(2) Where an application under regulation 100 has been made, and after the making of the inquiries mentioned in paragraph (2) of that regulation no warrant is issued or term of imprisonment fixed, the court may remit all or part of the appropriate amount mentioned in regulation 98(3) to which the application relates.

(3) Where an application under regulation 100 has been made but no warrant is issued or term of imprisonment fixed, the application may be renewed (except so far as regards any sum remitted under paragraph (2)) on the ground that the circumstances of the debtor have changed.

(4) A statement in writing to the effect that wages of any amount have been paid to the debtor during any period, purporting to be signed by or on behalf of the debtor's employer, shall in any proceedings under regulation 100 be evidence of the facts there stated.

(5) For the purpose of enabling enquiry to be made as to the debtor's conduct and means under regulation 100(2), a justice of the peace may—

- (a) issue a summons to the debtor to appear before a magistrates' court and (if the debtor does not obey the summons) issue a warrant for the debtor's arrest; or
- (b) issue a warrant for the debtor's arrest without issuing a summons.

(2) The application which may be made to the appropriate court under this regulation is an application by the authority concerned for an order imposing a charge on a relevant interest to secure the due amount.

(3) Before making the application referred to in paragraph (2) the authority concerned must notify the debtor of its intention to do so.

- (a) the personal circumstances of the debtor; and
- (b) whether any other person would be likely to be unduly prejudiced by the making of the order.

(2) A charging order—

- (a) must specify the interest on which the charge is imposed; and
- (b) may, as the court thinks fit, be made absolutely or subject to conditions as to the time when the charge is to become enforceable or as to other matters.

(3) A charge imposed by a charging order has the like effect and is enforceable in the same courts and in the same manner as an equitable charge created by the debtor by writing under the debtor's hand.

(4) The court by which a charging order was made may at any time, on the application of the debtor or the collecting authority on whose application the order was made, make an order discharging or varying the charging order.

(5) Where a charging order has been protected by an entry registered under the Land Charges Act 1972<sup>(a)</sup> or the Land Registration Act 2002<sup>(b)</sup>, an order under paragraph (4) discharging the charging order may direct that the entry be cancelled.

### **Insolvency**

**105.**—(1) Where a liability order has been made against a debtor who is an individual, the amount due is deemed to be a debt for the purposes of section 267 of the Insolvency Act 1986<sup>(c)</sup> (grounds of creditor's petition).

(2) Where a liability order has been made against a debtor which is a company, the amount due is deemed to be a debt for the purposes of section 122(1)(f) (winding up of companies by the court) or, as the case may be, 221(5)(b) (winding up of unregistered companies) of the Insolvency Act 1986.

### **Recovery in a court of competent jurisdiction**

(4) If the collecting authority does not receive payment of the amount referred to in paragraph (3)(d) within 21 days of the date of the notification, it may apply to a county court for consent to enforce the local land charge.

(5) In deciding whether to grant consent to enforce the charge the court must consider all the circumstances of the case, and in particular any evidence before it as to whether any person would be likely to be unduly prejudiced by enforcement of the charge.

(6) The collecting authority may not enforce a local land charge imposed in respect of the chargeable development if the outstanding amount of CIL due in respect of that development is less than £2000.

(7) For the purpose of enforcing a local land charge under this regulation, the collecting authority has all the same powers and remedies under the Law of Property Act 1925<sup>(a)</sup> and otherwise as if it were a mortgagee by deed having powers of sale and lease, of accepting surrenders of leases and of appointing a receiver.

## EXPLANATORY NOTE

*(This note is not part of these Regulations)*

Part 11 of the Planning Act 2008 (c. 29) (“the Act”) provides for the imposition of a charge to be known as Community Infrastructure Levy (CIL). It specifies who may charge CIL (known as “charging authorities”) and includes outline provision on other aspects of the charge including how liability to pay CIL is incurred, how CIL is charged and collected and the application of CIL to infrastructure and enforcement. These Regulations implement the detail of CIL using powers provided in Part 11 of the Act.

Part 2 of these Regulations defines a number of key terms required by the Act and which are referred to in the Regulations. In particular regulation 5 defines planning permission for the purposes of Part 11 of the Act, regulation 6 modifies the definition of development in section 209(1) of the Act and regulation 7 defines when development is to be treated as commencing for the purposes of CIL.

A charging authority proposing to charge CIL must issue a charging schedule setting the rates and other criteria by reference to which the amount of CIL chargeable in its area is to be determined. Part 3 of these Regulations includes provision relating to the content of charging schedules and their preparation, examination by an independent person and publication. Regulation 14 sets out matters to which a charging authority must and may have regard when setting the rates in its charging schedule.

Part 3 sets out how liability to pay CIL is incurred. Regulation 31 sets out the procedure where a person wishes to assume liability to pay CIL in accordance with section 208(1) of the Act. Where nobody has assumed liability and development has commenced, liability is in most cases apportioned between the owners of the land on which the development will be situated (regulations 33 and 34). Regulation 40 specifies how the amount of CIL payable in respect of a chargeable development (“the chargeable amount”) must be calculated.

Part 6 sets out exemptions and relief from liability to pay CIL. Regulation 42 provides that liability does not arise where the gross internal area of new buildings and enlargements to existing buildings would be less than 100 square metres. Regulations 43 to 48 provide for an exemption and relief from liability for charitable institutions. Regulation 49 to 54 provide for an exemption where a development is to include social housing. These provisions also provide for the withdrawal of relief where development ceases to be eligible for relief (regulations 48 and 53). Regulations 55 to 58 allow a charging authority to grant other relief in exceptional circumstances.

Part 7 sets out how CIL should be spent. Subject to regulations 60 and 61, regulation 59 provides that a charging authority must apply CIL to funding infrastructure to support the development of its area. Infrastructure is defined in section 216(2) of the Act as amended by regulation 63. Regulations 60 and 61 set out the circumstances in which CIL may be applied to administrative expenses, reimburse expenditure already incurred on infrastructure and repay loans. Regulation 62 sets out the reporting requirements with respect to CIL.

Part 8 contains a number of provisions relating to the administration of CIL. In particular regulation 65 requires the collecting authority to issue a liability notice in respect of each chargeable development stating the chargeable amount payable. The collecting authority must also serve a demand notice on each person liable to pay CIL in respect of a chargeable development stating the amounts payable by the person and the dates on which those payments are due. Regulations 70 to 76 contain provision on payment of CIL. In particular regulation 73 allows payment to be made by way of an acquisition of land with the agreement of the charging authority.

Part 9 contains provisions on the enforcement of CIL. Chapter 1 provides for the imposition of surcharges and interest for late payment. Chapter 2 provides for the imposition of a CIL stop notice to stop development until payment of an amount due is forthcoming. Chapter 3 provides for the recovery of CIL which has not been paid. The collecting authority may apply to a magistrates’ court for a liability order, levy distress, apply for a charging order and ultimately apply for a

warrant committing a debtor to prison. Chapter 4 contains a number of other enforcement provisions including a power to enter land and a power to prosecute offences.

Part 10 provides for appeals in a number of circumstances. A person may request a review of the calculation of a chargeable amount and, if aggrieved at the decision on review, appeal that decision (regulations 113 and 114). Appeals are also available in respect of apportionment of liability (regulation 115) and a grant of charitable relief (regulation 116). A person may also appeal against the imposition of a surcharge (regulation 117), a determination by the collecting authority of when development is deemed to have commenced (regulation 118) and the imposition of a CIL stop (regulation 119).

Part 11 sets out a number of limitations on the use of planning obligations under section 106 of the Town and Country Planning Act 1990 (c. 8) in respect of CIL liable development.

Part 12 includes provision on collection and enforcement in relation to the Crown, provision on service of documents and transitional provision.

An impact assessment has been prepared in relation to these Regulations. This assessment has been placed in the Library of the House of Commons and copies may be obtained from the Department for Communities and Local Government, Eland House, Bressenden Place, London, SW1E 5DU.
