

**Overview and Scrutiny Committee Future Work Programme Suggestions**

The following lists are suggestions received from various sources as a result of a communication campaign since March 2014 as well as items rolled over from 2013-14.

The suggestions have been grouped as per the Committee Terms of Reference. However, members may have alternative views on which Committee should lead on a subject.

Some items have potential to cross more than one Committees Terms of Reference. These items will be reviewed by the Scrutiny Coordinating Committee at their meeting in July to decide if these items should be reviewed jointly
