| NAME: | Martin Round |
| ADDRESS: | Timberden, 60 Oak Lane, Headcorn, ASHFORD, Kent. TN27 9TB |
| TELEPHONE NO: | 01622890276/07709263447 |
| NAME OF ORGANISATION APPLYING FOR: | Town Centre Management Liaison Group |
| ROLE APPLYING FOR: | Board/Committee member |
| REASON FOR APPLYING: | It is because I live in a rural ward of Maidstone Borough that I actually value a good town centre. Rural areas need good local town centres as they may need or want what they cannot get in their own rural locality. This significant factor needs to be considered as a benefit to Maidstone and made to work for the advantage of all; urban and rural. In this context it must therefore reflect thinking and attitudes in order to affect actions and plans for a town centre. Then many issues need to be considered from transport and parking to marketing and promotion. I can bring not only a rural perspective to town centre management, but also the experience of being disabled for some years, as well as my close associations to youth and education interests and some other insights. |
| WHAT SKILLS AND EXPERIENCE COULD YOU BRING TO THE ORGANISATION?: | <p>I have spent my professional life working in both public and private sectors management roles, where communication skills and interactions with many groups have been important.</p> <p>I am a MBC member and have been a Parish Councillor and involved in many community groups for many years.</p> <p>I know and love Kent with a history of association with Maidstone from the days of trolley buses.</p> <p>I am keen to promote the Maidstone Borough and its town centre and have many skills in modern communications technologies.</p> <p>I was a Local Gov't Officer for one of the UKs biggest cities responsible for Economic/Business Development projects and Policy/strategy including marketing and Inward Investment.</p> |

| ROLE APPLYING FOR: | Observer |
| REASON FOR APPLYING: | <p>I have been interested in the Arts and Cultural Activities all my life and especially since gaining public office in 1986. Prior to living in Maidstone I lived in Merton (London) where I was a councillor from 1986 to 2002. From 1990 to 1999 I was the Chair of Leisure and Libraries Committee which included responsibility for Arts. I was the driving force in the renaissance of Merton's Art's in the 1990's plus the regeneration of Wimbledon Theatre. In Maidstone I use to work at UCA as the Pro Rector Corporate Resources.</p> |
| WHAT SKILLS AND EXPERIENCE COULD YOU BRING TO THE ORGANISATION?: | <p>The skills I bring are business skills from my professional career, I am a qualified Accountant, and have been a Director of Resources since 2006. More importantly a very in-depth knowledge of the Arts, their funding and management.</p> <p>I also bring Arts management skills</p> <p>In 1990 as Chair of Leisure and Libraries Services (including Arts and Cultural Services) I was a member of the Merton Art Council. I conducted a full review of Arts Provision in the borough and subsequently redirected our budget into an arts regeneration budget. This included appointing an Arts Development Officer, setting up an Arts Development Fund and stabling a yearly Merton Arts Festival to celebrate the boroughs multi-cultural diversity and let everyone experience each other's culture to en-richen their own life experiences.</p> |

| | |
|--|--|
| | <p>I was the Chair of Wimbledon Theatre for over 12 years to 2004 overseeing a complete refurbishment of the theatre (1600 seat auditorium + 100 seat studio). Setting up the studio to be able to showcase developing arts and alternative arts. I also helped established the youth theatre group.</p> <p>I was instrumental at the Theatre is establishing the successful Canizaro Park open air summer theatre season which overlapped with the Wimbledon fortnight.</p> <p>I also established a series of Arts work studios in a disused building to provide incubation space for striving artists.</p> <p>In Merton we have the Wimbledon School of Arts and I established an annual programme to commission pieces of sculpture to be placed in our parts as a method of encouraging greater access to sculpture. In a community park which I was involved with we sponsored the creation of four pieces of sculpture in wood to bring the park alive.</p> <p>At UCA Maidstone I again had the opportunity to help promote the arts in Maidstone.</p> <p>I am clearly a full and committed champion of the arts and have a complete belief that arts and a thriving cultural sector can be a key to help regenerating local economies in a sustainable model and that Maidstone needs to make more of the opportunities and infrastructure that it has.</p> |

| NAME: | Martin Round |
| ADDRESS: | Timberden, 60 Oak Lane, Headcorn, ASHFORD, Kent. TN27 9TB |
| TELEPHONE NO: | 01622 890276/07709263447 |
| NAME OF ORGANISATION APPLYING FOR: | Upper Medway Internal Drainage Board |
| ROLE APPLYING FOR: | Committee/Board rep |
| REASON FOR APPLYING: | <p>I live in Headcorn; an area with a confluence of streams and rivers that go from the Beult into the Medway. The Ward area with its natural environment & geological background is further affected by springs, aquifers, ditches and dykes that contribute to significant water movement and soil erosion in the area. I take a great interest in such factors, from the spoiling of road surfaces as they become rivers during heavy rain and flooding to the way in which such waters pick up deposits of all descriptions and pollution such as litter and other detritus. I also care about the environment and the protection of those waters, the floodplain and the SSSI. I am also concerned about land use and its management when water affects it or when other land matters affect local water, i.e poor Riparian management or farming/land pollution entering waters.</p> <p>I want to use my concerns/interests in a positive and constructive manner for the benefit of the many, because I care about water and our streams and rivers as well as our local communities.</p> |
| WHAT SKILLS AND EXPERIENCE COULD YOU BRING TO THE ORGANISATION?: | <p>Being a resident of Headcorn means you are close to rivers and streams overseen by UMIDB.</p> <p>I am an experienced manager from both a public and private sector background where business and financial roles have been enhanced by my articulation and communication skills. I also have a passion for good environmental management.</p> |
