

APPENDIX B

Notes:

- 1 - Proposed joining of separate buildings to form New Centre
- 2 - Proposed Climbing Barn
- 3 - Site of previous demolished Kentish Oast House

Grass Crete parking to have bay indicator inserts set out for cars. There will be no fencing or restrictions to prevent flexible use.

The 7 longitudinal spaces adjacent East elevation can be allocated for disabled driver side entry.

The 28 spaces to the West of the site entrance can be allocated to either vehicle with Drop tailgates or vehicles with trailers.

For coach events the full depth of West parking can be allocated.

Because events and meetings are pre booked through the centre manager exact control can be exercised for the event.
